

Dear Valued Partner,

I am writing on behalf of Carolina Cancer Foundation, supported by Coastal Cancer Center, to invite you to partner with us for our upcoming Waves of Hope Gala, taking place on June 5, 2026. We are seeking committed community leaders to join us as sponsors and help advance a mission that brings real and immediate support to local patients and families facing cancer.

Carolina Cancer Foundation is dedicated to easing the financial and emotional burdens of cancer treatment. What distinguishes our work is our direct investment in the lives of patients—100% of the funds raised through the Waves of Hope Gala are returned to individuals and families in our community, offering essential assistance during one of the most challenging periods of their lives.

Your sponsorship would not only reflect your organization's compassion and community leadership, but it would also strengthen our ability to provide critical resources such as treatment-related assistance and financial aid. These programs help ensure that no patient must choose between lifesaving care and the basic necessities of everyday life.

Carolina Cancer Foundation is a 501(c)(3) tax-exempt organization under the U.S. Internal Revenue Code. We offer a variety of sponsorship levels, each with opportunities for recognition through event signage, promotional visibility, and participation in the evening's activities. Enclosed/attached you will find our sponsorship packet with additional details, and we would welcome the chance to discuss how your organization might best engage with this meaningful event.

By partnering with us, you help ensure that local patients and families never face cancer alone. Your support truly makes a profound difference.

Thank you for considering this opportunity to invest in the well-being of our community. Please feel free to reach out with any questions or to discuss sponsorship options at your convenience.
